We have been conducting unreserved public auctions in Ontario since 1971 and now hold five auctions per year at the Bolton location. ## **RITCHIE BROS. AUCTIONEERS CONT'D**

As a full-service auction company, Ritchie Bros. manages every aspect of the sale process for consignors, including global marketing in print and on the web, answering questions from prospective buyers, organizing and conducting a professional auction, and handling title transfer and collections following the sale.

Buyers appreciate Ritchie Bros. auctions because they are unreserved, meaning there are no minimum bids or reserves on anything. Owners are also forbidden from bidding on their own equipment. Interested buyers are able to inspect equipment before the sale, so they know what they are buying.

Talk to Ritchie Bros. today to learn more about the different consignment options for your trucks and trailers, or about buying at an unreserved public auction. Go online to [www.rbaction.com/transportation](http://www.rbaction.com/transportation) for more information.
